Sir:

In compliance with the duty to disclose, applicants submit herewith a copy of the International Search Report issued in a counterpart foreign application, an English-language version of the Search Report and a copy of each of the publications cited therein; the publications are listed on attached form PTO-1449.

Since the International Search Report was issued in connection with a counterpart foreign application and indicates the degree of relevance of each of the publications as assessed by the foreign patent office, the English-language version of the International Search Report meets the concise explanation requirements of 37 CFR § 1.98 (a) (3), see 57 Fed. Reg. 2031, comment 68 (1992).

Consideration of this Information Disclosure Statement is respectfully requested, since the Examiner may consider the information provided herein material to the patentability of the subject application as defined in 37 CFR § 1.56.

In compliance with 37 CFR § 1.97 (e) (1) applicants' attorney certifies that each item of information contained in this information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the statement. Therefore, no fee under 37 CFR § 1.97 is required.

However, in the event the Commissioner of Patents deems that any fee is required under 37 CFR §§ 1.16 and 1.17 in connection with this application, applicant's attorneys authorize that such fee be charged to Deposit Account No. 06-1130.

Respectfully submitted,
